

A4 STUDY TEAM LIST

The A4 Study Leadership Team provides the list below in journal format for standardized acknowledgement of the many individuals who have contributed to the A4 and LEARN Studies (current and former). The list consists of Funding Partners, Study Leadership Team, Team Leaders and Key Personnel, Institutional Study Partners, and Study Sites. All manuscripts, including methodological papers, should include an acknowledgement of the A4 Study Team located at A4Study.org. This information is current as of August 2, 2018 and will be updated periodically.
